Honoring
BILL FOLEY
Majority Owner of the Vegas Golden Knights

Honoring **BILL FOLEY**

William P. (Bill) Foley II, a seasoned and successful businessman entrepreneur, and Owner of the Vegas Golden Knights, the National Hockey League's newest franchise set to begin play during the 2017-2018 season. Although he grew up primarily in Texas, Bill spent his early youth living in Ottawa, Canada, where he developed a love for hockey. His lifelong passion for the sport inspired his vision to bring an NHL ice hockey team to Las Vegas, the city's first major professional sports team. As a passionate, adventurous vintner, Bill is the founder and managing partner of Foley Family Wines, a top 10 wine producer in the United States. Foley Family Wines' premier varietals are highly regarded by leading wine critics and sommeliers.

Bill formed and serves as Chairman of Glacier Restaurant Group, LLC, the largest restaurant business headquartered in Montana. He is also the developer of Rock Creek Cattle Company, a 40,000-acre working Montana ranch, featuring a high-end golf community with diverse homesteads, a well-appointed lodge for recreation and dining, and an exceptional golf course designed by Tom Doak that has been named by GolfWeek as one of the top residential golf courses in the country. Bill is an avid and accomplished golfer, who was named in 2006 by Golf Digest to its list of the Top 20 Executive Golfers in the World.

After receiving his B.S. degree in engineering from the United States Military Academy at West Point, Bill served in the U.S. Air Force, where he attained the rank of captain. He received an M.B.A. degree from Seattle University and earned his J.D. degree in 1974 from the University of Washington's School of Law.

Bill and his wife, Carol, are active philanthropists for many causes, especially those in support of children's education, devoting time to many educational and community organizations. Bill serves as an advisory board member for the University of Washington's School of Law and is involved with the Florida Forum Advisory Board for the Women's Board of Wolfson Children's Hospital. Bill is also a member of the Dean's Council and an Endowed Chair of the William Foley Chair in Corporate Law & Taxation at Chapman University School of Law. In 1997, Bill was chosen as Orange County, California's Business Person of the Year, honored with the Marine Corps Scholarship Foundation's Semper Fidelis award and inducted into the Florida Council of Economic Education's First Coast Business Hall of Fame in 2006.

In 2015, Bill established the Folded Flag Foundation, a non-profit, 501(c)(3) organization committed to honoring the legacy of our fallen heroes by helping their families with financial support for education. The Folded Flag Foundation proudly gives 100 percent of ALL donations to families in need. The West Point Association of Graduates honored Bill with a 2016 Distinguished Graduates Award, which recognizes West Point alumni no longer on active duty who demonstrate the West Point values of character, distinguished service and stature.

The Alternative Source of Quality Beverages

EARTH'S FINEST WATER.™

On a remote island over 1,600 miles from the nearest continent, tropical rain slowly filters through volcanic rock into a sustainable ancient artesian aquifer. Drop by drop, FIJI Water acquires the natural minerals and electrolytes that give it its signature soft, smooth taste. Perfected by nature, there's nothing on Earth quite like it.
